

Our next Club meeting is Thursday 27th October 2011

October Meeting

October's meeting will be inspiring us all with ideas for Christmas. There will be a few demonstrators from within the club showing us different techniques and ideas for Christmas. It is a great opportunity for members to ask questions and share ideas as the demonstrations will be given in smaller groups. November's meeting will be a workshop on the demonstrations done this month as a great chance to have a practice with experienced members to help you out.

September Meeting

September saw the return of Georgie Godbold who gave a fabulous demonstration which was enjoyed by all. Nine visitors attended the last meeting which is a good turnout for the club. Next month we will be having a bumper Christmas raffle and would ask that if anyone has anything they would like to donate for a raffle prize to bring it to this meeting or the next. All money generated by the raffle goes back in to supporting the club.

Display Table

Just a reminder that if anyone has any photo's, projects they are working on or examples of work that they would like to share with the rest of the club to please speak to Anne regarding the display table. We would like to encourage all members to participate in this as it is a great way of sharing ideas, meeting new people and learning various tips and tricks.

Newsletter

Unfortunately due to increasing work commitments I am unable to carry on producing the newsletter each month. I have enjoyed doing the newsletter over the last 18 months but now need to pass it on to another club member. If anyone is interested in taking this on then please speak to Anne. It is an enjoyable thing to do and I only have to give it up because of increasing work pressures. I am happy to help anyone who

wants to take on the job to get started with things.

Birmingham Coach

The advance tickets have been ordered. Anne will give them out on the coach, but please pay for them at the meeting. It would be helpful if the exact money could be put in an envelope (Snr. £7.50 Adult £8.50), marked with your name/s, and handed in at the front desk as the member on the register will not have the time to be dealing with this on top of her other duties. Thank you. There are still 4 seats left on the coach so if anyone is interested please make this known at the meeting. We have permission to start from St. Mary's Comrie House School, Stanway, opposite Stanway Garden Centre, and cars can be safely left there.

Change of Address/Details

In order to keep club records up to date we would be grateful if you have a change of address, contact number or email address to let Anne or Angela know.

Christmas cake Competition

Our November meeting is fast approaching and will be the month of the Christmas cake competition, so when we are all making this year's batch of festive cakes, we would ask you to consider entering one in the competition. The competition is for all levels as there are three categories, novice, intermediate and advanced. The cake can be any size or shape from 6 inches upwards.
