

Our next Club meeting is Thursday 28/06/12

June Meeting

This Month we welcome the return of Glenda Price. She will be demonstrating Back to Basics of a Sponge cake.

May Meeting

Apology for last month – not much you can do when a demonstrator lets you down at the last minute. Many thanks to Maylin for standing in at the last minute and demonstrating such a beautiful rose.

Subscriptions

Can we ask any remaining outstanding subscriptions to be paid at or by the next meeting please. The newsletter from next month onwards will only be sent to members who have paid their subscriptions for the year. The money can be paid by cash or cheque on the meeting night.

Cottenham Exhibition 13th October

The committee would like to run a coach to the 25th and final Cottenham Exhibition on the 13th October but need more names to make it a viable outing. If you think you would like to go, please add your name to the list. There will be lots of traders selling equipment and several demonstrations during the day.

www.colchestersugarcraft.org.uk

The website is looking good but Christine would appreciate a few more photo's please. Send them to sugarcraftpics@hotmail.co.uk. One photo per email please.

Show & Tell

Not everyone has access to the internet, so keep bringing in your pictures of your work so everybody can enjoy seeing them.

Sales Table

Don't forget that if you have anything to sell then please bring to the table. It can be anything you don't use anymore. Someone might just be looking for the very thing you wish to sell.

Hints & Tips

www.cake-decorating-tips.com

The website above is a correction from last month's newsletter. I missed out a dash. I do apologise for that.

Tendering meeting

11th July Good Finish From A Rubbish Cake with Glenda Price.
12th September Cake Jewellery with Anne Fox
