

Our next Club meeting is Thursday 31/1/13

OBITUARY

It is with great sadness i have to inform you that Janet Johnson died in St. Helena Hospice on Saturday, 12th January. Janet was Chairman of our club for a few years, demonstrated lots of time (her specialty being Royal Icing), was always ready to pass on her knowledge to others. She will be much missed.

NOVEMBER MEETING

At our last meeting Georgie Demonstrated her wobbly reindeer with sleigh, and judged the cake competition. There were in all 3 classes – congratulations to the winners – Barbara Knight (advanced.), Christine Clark (Intermediate) and Wendy Myhill (Novice)

Eight cakes were given to the Salvation Army to distribute and we have had a letter of thanks for them. The refreshments were lovely, the bumper raffle was well supported and thanks to Pam Crutchfield for donating two beautiful table arrangements and all who helped out on the night.

JANUARY MEETING

Caroline Harvey makes a return visit, this time to show us how to make handbags without cutters.

ANNUAL DINNER

This will be at The Wooden Fender on Thursday 24th, 6.30pm for 7. There is still time to book if you have not already done so; telephone Anne (01206 513424) with your order, or to find out what the menu is.

CAKE INTERNATIONAL

This exhibition is being held at The Excel Centre 12th – 14th April and Reader Trips have a coach going on the 13th and 14th from North Station, picking up at Witham and Chelmsford. For more details see www.gazette-news.co.uk/readertrips, or phone 01268 270027.

WEB SITE

Anne has tried very hard to encourage members to put their work on our web site but at the moment it has only contributes from approximately 6 members.

The idea behind this web site and our photo gallery was to show anyone interested in sugarcraft and perhaps new to the area and looking for a club, in conjunction with our programme/list of demonstrations, the standard of work our members achieve over a wide spectrum.

Similarly, the show table at the monthly meetings is to show completed work/work in progress or photographs to share with other members and share ideas.

BOARDS & BOXES

Anne will be bringing a selection of boards and boxes to sell, but please contact her beforehand if there is any specific requirement.

SALES TABLE

You can bring anything to sell on the sales table. New, nearly new or something you longer use.
10% of all sales go to the club.

One of our members, Loretta, is looking to borrow a Tractor, Sheep and dog cutter set. If anyone has got one could they please bring along to the meeting.
Thank you.
