

Our next Club meeting is Thursday 26th Sept 2013

September Meeting

This month we will see a demonstration on Seasonal Flowers and Foliage with Anne Fox.

July Meeting

Unfortunately only 16 members attended for the tulip workshop. This was a pity as the 3 demonstrators had obviously spent time preparing work and we still had the expense of hiring the hall and paying the demonstrators a small fee towards expenses.

Committee Members.

We are still looking for a couple of new committee members. Please think about joining as any new input for the club would be welcomed. If you are interested please speak to a committee member.

Club Member numbers

We seem to have lost a few members this year. We do advertise our club every month and have posters in both halls,

but numbers are still low. Is there any member willing to put a notice in a window in their area to advertise our club to see if we can drum up new members please? Any help would be appreciated.

November Meeting

The programme says 'in-house demos and Christmas get together' - one member has offered to do a Christmas plaque made without cutters, is there anyone else willing to do something or come up with an idea that they would like demonstrated?

Christmas Cake Competition

We hold this competition every year and we support 2 charities. The cakes should be a minimum of 6in and decorated in a style of your choice. There are 3 classes NOVICE, INTERMEDIATE and ADVANCE. Trophies will be presented to the winner of each class.

Annual Dinner

This is planned for Thursday 23rd January 2014. Details of venue

and menu will be available to the October and November meetings.

N.A.S.A. The next Annual General Meeting is being held at Ely on 27th May 2014.
