

Our next Club meeting is Thursday 31st October 2013

October Meeting

This month we will see a demonstration, Modelling with a Christmas Theme with Alison Lane.

September Meeting

We saw a demonstration on an Icelantic Poppy with a Corn decoration with Ann Fox. We hope you enjoyed this, as this was a very quick and expensive demonstration.

Christmas cake competition

Colchester Sugarcraft has run this competition for many years and supported The Women's Refuge and The Salvation Army charities who, use the donated cakes "in house". You do not have to donate your cake but please still entre the competition and take your cake home.

We suggest a minimum of 6" and decorated in any style you fancy. There are 3 classes NOVICE, INTERMEDIATE and ADVANCE. If this is your first time entering then please entre the Novice class.

Display Table

Last month we had many examples of members work. We would like to encourage all members to participate in this as it is a great way of sharing ideas meeting new people and learning tips and tricks.

Annual Dinner

This is planned for Thursday 23rd January at The Wooden Fender- other venues were looked at but it has been decided to stick to what we know!!! The landlady at The Wooden Fender has always delivered good value for money. Details of the menu will be available at the October and November meetings for you to select your choice.

At the November meeting we will be having a bumper Christmas raffle and would ask if anyone has anything they would like to donate for a raffle prize to bring it in to this month's meeting. All money generated by the raffle goes back in to supporting the club.

At the end of last month's meeting a pair of glasses were found at the hall. If anyone has lost a pair could they please get in contact with Lorraine on 01206 510213 so she can get the caretaker to leave them out at the next meeting.
