

Our next Club meeting is Thursday 27th March 2014

March Meeting;

We are going to see a demonstration on shoes with Fay Barrett.

February Meeting;

We had a demonstration with Anne Reynolds. Anne did Small Flower Fillers and they were beautiful. We would like to thank Anne for a brilliant demonstration.

March Baking Competition;

Please have a go at this year's competition – a 7/8in Bakewell Tart – to judged by this month's demonstrator.

April A.G.M.;

Nominations to join the committee should be put in writing to the secretary (Lorraine) before the A.G.M.

A reminder that it was proposed at the last AGM to increase the yearly subscriptions to £20 and the visitor's fee to £5.

Tripod;

We are still looking for a tripod as the one we have is broken. If any member has one and no longer use could they please donate it to the club. Thank you.

Excel

Readers Trips are running a coach to the International Cake & bake Show held at the Excel Centre on Saturday 12 April. Telephone 01268 270027.

Trading Stall;

Anne will be bringing boards and boxes to sell but if you require a special order (or icing, marzipan etc) or like to pre-order, please ring Anne (513424) beforehand.

Unwanted sugarcraft equipment can be sold on the stall.

Web Site;

This has not had input for a long time. The idea behind the web site/photo gallery was to show people, perhaps new to the area and interested in looking for a club, the standard of work our members do across all rangers, in

conjunction with our programme,
recipes etc. Please add to the
gallery by sending your
photographs to Christine.

your pictures.

A very warm welcome to all the
new members that have joined
over the last couple of months.
