

Colchester Sugarcraft Association

Our next meeting is Thursday 30th October 2014 7.30pm

October Meeting; We are going to have a demonstration on Poppies with Fay Barrett.

In September; we saw Georgie do a wobbly Witch and Beryl do Chinese Lanterns and Honesties and as usual it was a very informative night and hope you all enjoyed the evening.

We had a very good turn out and a couple of the members took advantage of the 'Bring a guest and member gets in free' incentive and we welcome our new members to the club.

The Committee; have been able to book a space at the Colchester Library. It's being held on Saturday 22nd November 9am to 4.30pm. There will be a table to exhibit flowers etc plus a show case to display members work for a week. If you would like your work to be displayed then please let us know. Sue Albins can pick up any items or you can bring to the library on the day. There will be mini demos e.g. snowman, penguin. If anyone has any small yogurt pots or deli pots, could you please bring to the October Meeting. We are looking for volunteers to help for a couple of hours, either to do demo, to fill display cabinet or to hand out leaflets.

Committee Member; Angela Howard has had to step down as a committee Member so we are looking for someone willing to join. We hold meetings about 4 to 5 times year. If you are interested please see Sue Albins.

Refreshments; would it be possible for members to get their refreshments as soon as the demonstration is over and return the cup/holders promptly please. As you can appreciate members volunteer to help out at meetings and the later you get your refreshments, the later it is before they can leave the hall. THANK YOU.

Printed Icing; At September's Meeting Lorraine Dunn brought in some examples of the printed icing and rice paper. If anyone is interested, Lorraine is now able to take orders. Lorraine will bring them in so members can look at them again. For icing print £3.50 (full page); £2.50 (half page); Rice paper £2.00 (full page only), 8in Circles £3.00.
