**Our next meeting is Thursday 30<sup>th</sup> May at 7.30pm**

**MAY MEETING;** *the demonstrator for May is Barry Fermor who is doing a wired figure cake topper, this is something completely new to the club so should be a very interesting evening. I would like to ask a member to give a vote of thanks to the speaker in future, if you do not wish to please say so and I will ask someone else.*

**APRIL MEETING;** *this was our A.G.M. and it was good to see so many club members attend and also rejoin the club. The issue of covering the cost of each meeting was raised and the treasurer proposed that for the year 20/21 the cost of membership would be £40, but there would not be any charge on the door for meetings. If in the past you have attended all meetings you will have paid £40 anyway. This way we know what our yearly income is and this makes it easier to decide on what we can afford as far as demonstrators are concerned. The charge for visitors remains the same. The proposal was put to the vote and agreed over whelming. Our new committee for the coming year were elected and a vote of thanks was given by Dawn Rose. Thank you to all the committee for standing again and also welcome to our new committee members.*

*Thank you to Anne Reynolds for demonstrating a wedding rose made without using wires.*

**SUBSCRIPTIONS;** *if you have not paid your subs then this will be the last newsletter you will receive. If you wish to re-join and can't get to the club then please contact Christine on how to pay or ask another member to bring your subs in for you. It's still £20 for the year.
