CLUB EVENTS

Workshops and Club meetings. No workshops planned at present.

If there are any workshops or particular techniques you would like to do or see demonstrated please let us know as it is always good to get input from our members rather than just the committee deciding.

We have 3 members who are willing to have informal sessions in their homes to teach sugarcraft or just to get together to make flowers etc if you would like to come along please contact Sue, Christine or Anne for more information. These will be starting again in January numbers are limited to 6 so booking is essential.

Equipment for Sale. Cannon Food Printer bought for £120 selling for £60 never been used please contact Jackie Doe 07966217882 or jackie-p-doe@gmail.com.

If you have any sugarcraft related items you wish to sell please bring them along to the sales stall or contact me and I will put it in the newsletter. Other items can be sold on the stall but please remember to take them home with you if not sold

Three of us attended the workshop on Nov 10th at Boreham with Nicky Fuller. We made a fifties inspired girl model, it was a very intense day and we learnt a lot about modelling faces and figures. It was an enjoyable day and we got to meet ladies from Romford, Hornchurch and Chelmsford sugarcraft groups. I have the programmes for some of the local British Sugarcraft Guild clubs and Estelle Mann has a workshop organised

for 7th & 8th March Contemporary Wedding Cake Design with Stephen Benison in Milton Keynes for details contact e,mann@talk21.com or 01908 319440.

Christine, Anne Reynolds and myself have been to Brightlingsea and Alresford WI this month to demonstrate Christmas themed models, flowers, and cupcakes, the fee we charge less expenses goes to club funds.

There is no meeting in December so I would like to wish you all a HAPPY CHRISTMAS AND NEW YEAR and look forward to seeing everyone in 2020
